

**Call now to support the  
Employee Free Choice Act!  
1-888-460-0813**

Hello, my name is \_\_\_\_\_ and I am calling to ask Senator Feinstein to vote YES on the Employee Free Choice Act.

As a healthcare professional, I've seen unions protect the interests of their members and the needs of their patients by lowering staffing ratios and fighting for healthcare reforms.

Unfortunately, I also know people who have been fired from their job because they were trying to form a union. This act would protect these workers.

Can I count on Senator Feinstein to support healthcare professionals and vote YES on the Employee Free Choice Act?
